Wealden Works

Bridging the gap between education & work

Wealden Works offer an opportunity for 40 young people aged 16-24 in the Wealden area each year, who do not benefit from contacts with the business world and other support networks, to take an important step on their personal journey into employment and contributing citizenship. Young people are given personal pastoral support that is tailored to their needs and supports them in reaching their goals. The programme runs over four mornings a week.

Who is it for?

Adults Aged 18 - 24

Area Covered?
