

## **Pathways to Opportunity for Young People – Call for Partners**

CXK is developing a tender response to the call issued by the Department for Work and Pensions (DWP) to commission ESF Funded projects that will support the Priority Axis 1 of the Operational Programme: Inclusive Labour Markets and Investment Priority: 1.2 Sustainable Integration into the Labour Market of Young People. We will be developing engagement programmes to support 16–24-year-olds not in education, employment, or training. The target group for our project will be those that are disengaged and furthest from the labour market, aligning to the cohort requirements set out in the call and summarised below.

- Unemployed, including long-term unemployed
- Participants from ethnic minorities
- Participants with disabilities
- Participants without basic skills
- Participants who live in a single adult household with dependent children

We are looking for partners that are interested in working with us to deliver this project. Potential partners will be interested in supporting our submission as an ‘end-to-end’ delivery sub-contractor or as a local provider/stakeholder, able to contribute to CXKs engagement provision content or able to support progression pathways, particularly into priority sector areas such as care, health, digital, logistics, education hospitality and visitor, construction, and engineering. To express an interest in supporting this tender submission please email [craiggarton@cxk.org](mailto:craiggarton@cxk.org) before 17<sup>th</sup> May 2021.
